The Future of Public Safety Starts Here

QUARTERLY | SEPTEMBER 2025

As public safety challenges evolve, so does our commitment to supporting the agencies and leaders on the frontlines. **This quarter, we're sharing insights, tools, and stories that highlight how technology and collaboration are reshaping what's possible.**

From accelerating investigations to building stronger community partnerships, these resources are designed to help you work smarter, safer, and with greater impact.

Together, we can continue driving innovation, strengthening trust, and creating communities where safety is felt by all.

Shaping Safer Futures | **Flock Forward 2025**

Beyond Crime Reduction: How Flock Forward 2025 Redefined Public Safety

Public safety leaders, agencies, and partners gathered at Flock Forward 2025 to explore how integrated technology, innovative staffing, and cross-sector collaboration are shaping safer, more resilient communities.

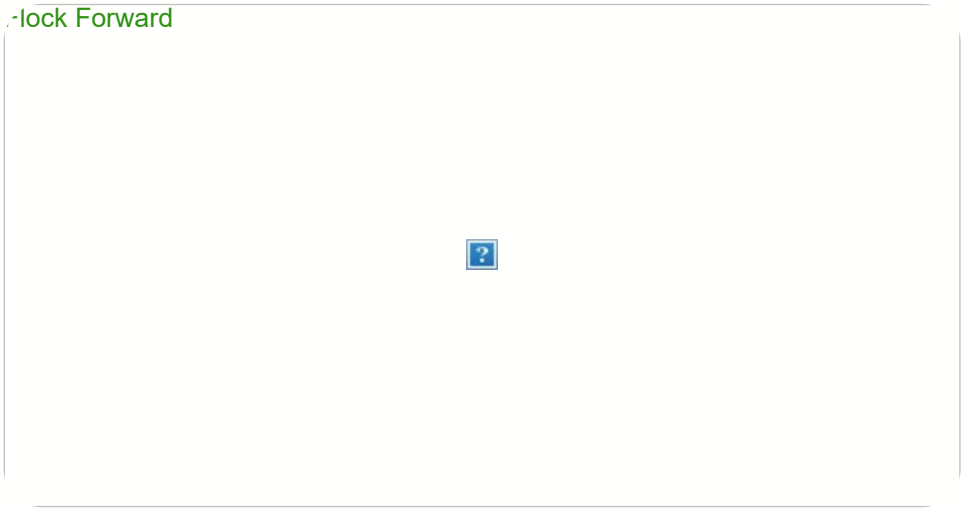
Speed Matters | **Rethinking Investigations**

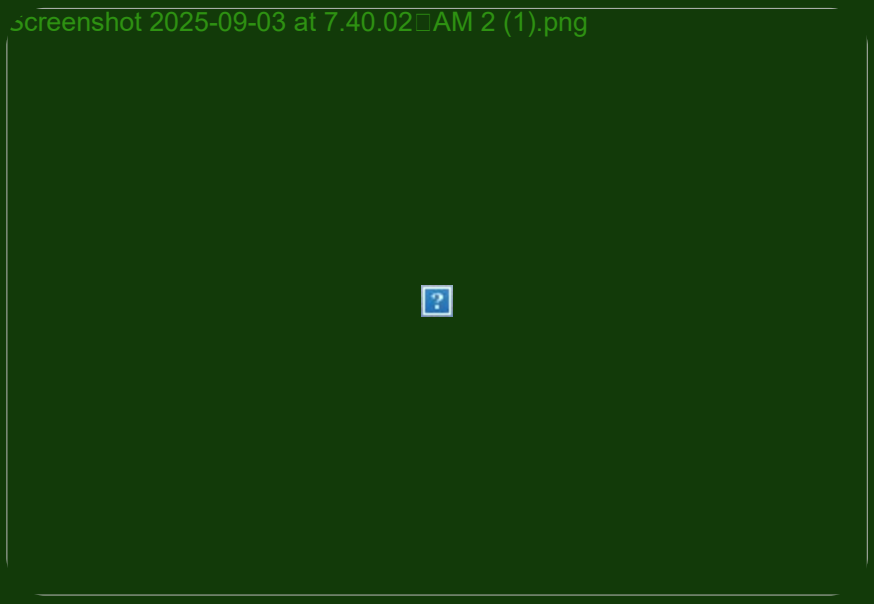


Human Trafficking Moves Fast.
So Must the Response.

Watch as we bring together public safety experts to explore how better coordination, smarter data use, and cross-jurisdictional awareness are redefining what's possible in human trafficking investigations.

Watch Now

From Minutes to Moments | **Safety in Action**



In Critical Moments, Every Second Shapes the Outcome

When crime happens, response speed can mean the difference between hours of searching or a safe arrest in minutes. Flock Safety's connected platform gives law enforcement the tools to act faster, stay safer, and protect their communities.
